

Choose from our convenient range of blank thermal transfer labels & fabrics...

Labeltec provide a range of self adhesive labels available for both direct thermal and thermal transfer printers.

Our ex-stock service is designed to make your business run smoothly, and your life easier. Save money and reduce inventory by letting us provide you with a labeling solution.

We can even pre-print your brand or logo using your corporate colours so that changeable information such as a batch number, date, bar code or product name can then be added in-house, as required.

As agents for the Argox, TEC & Paxar range of tough, reliable, easy to use thermal printers, Labeltec can provide you with a complete in-house labeling system to print onto self adhesive or fabric labels. With over thirty years of experience Labeltec are experts at providing labeling solutions to New Zealand industry.

- ***Direct thermal stock labels are sold in 102mm or 204mm diameter rolls. Please check which size your printer will accept.***
- ***The internal core measurement is 38mm on label rolls***
- ***Please ask us about custom sizes if we don't have a standard size that exactly fits your needs.***
- ***All ribbon is on an internal core size of 25mm. Paxar ribbons are on special notched plastic cores.***
- ***A minimum order of \$30 applies***
- ***Prices given are per 1000 labels and are exclusive of delivery and GST***

Remember Labeltec can advise and offer a prompt price on all your labeling requirements. Call us now for a quote and delivery time.

Note:
